

Welcome to Recharge App Dashboard ("we," "us," "our"). We are committed to safeguarding your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our app, including when you log in using Facebook. Please review this policy carefully. By using our app, you consent to the practices described herein.

Facebook Account Information: This includes your Facebook ID, name, email address, profile picture, and other information that you have permitted Facebook to share with third-party applications. The data we receive depends on your Facebook privacy settings and the permissions you grant.

Profile Information: Any additional information you provide directly within the app, such as when setting up your profile or engaging with specific features.

We collect information on how you interact with our app:

- **Log Data:** Includes details such as your IP address, browser type, operating system, access times, and the pages you have visited.
- **Usage Data:** Tracks your actions within the app, including features used, settings chosen, and any other behavioral data.

We use the information collected for various purposes, including:

- **Account Management:** To facilitate the login process, manage your account, and provide a personalized experience based on your Facebook profile.
- **Personalization:** To customize the app content and features according to your preferences and usage patterns.
- **Communication:** To send you updates, notifications, and promotional materials related to the app and its features.
- **Analytics:** To understand usage patterns, improve app performance, and enhance user experience through data analysis.
- **Legal Compliance:** To comply with legal obligations, resolve disputes, and enforce agreements

We may disclose your information in the following situations:

- **Service Providers:** We may share information with third-party service providers who perform services on our behalf, such as data analysis, customer support, and payment processing. These providers are obligated to protect your information and use it only for the purposes for which it was disclosed.
- **Facebook Integration:** Information shared with Facebook during the login process will be used in accordance with Facebook's privacy policy. We do not control Facebook's privacy practices.
- **Legal Requirements:** We may disclose your information if required to do so by law or in response to legal requests, such as subpoenas, court orders, or regulatory investigations.
- **Business Transfers:** If we undergo a merger, acquisition, or sale of assets, your information may be transferred to the new entity as part of the transaction.

We employ reasonable security measures to protect your personal information from unauthorized access, use, or disclosure. Despite these measures, no security system is impenetrable, and we cannot guarantee the absolute security of your information.

Our app is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under 13. If we learn that we have collected such information, we will take steps to delete it.

We may update this Privacy Policy periodically to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will notify you of any significant changes by posting the updated policy on this page with a new effective date. We encourage you to review this policy regularly.

If you have any questions or concerns about this Privacy Policy or our data practices, please contact us at:
